Gainful Employment Certificates:

Gainful Employment program reporting and compliance regulations are changing frequently; please refer to the Department of Education's website on Negotiated Rulemaking for Gainful Employment programs or the IFAP (Information for Financial Aid Professionals) website educational programs that prepare students for gainful employment in a recognized occupation are subject to regulations published in the Federal Register (75 FR 66832). The regulations require that each program provide prospective students with the occupations the program prepares students to enter, on-time completion rates, tuition and fees for completing the program, placement rates among completers, and median debt incurred by completers. This page is intended to provide all the disclosure information for each program.

At UCCS, all approved gainful employment certificates share a plan code of NDGE-CERN.

Please read. This calculator is intended to provide estimated net price information (defined as estimated cost of attendance — including tuition and required fees, books and supplies, room and board (meals), and other related expenses — minus estimated grant and scholarship aid) to current and prospective students and their families based on what similar students paid in a previous year.

By clicking below, I acknowledge that the estimate provided using this calculator does not represent a final determination, or actual award, of financial assistance, or a final net price; it is an estimate based on cost of attendance and financial aid provided to students in a previous year. Cost of attendance and financial aid availability change year to year. The estimates shall not be binding on the Secretary of Education, the institution of higher education, or the State.

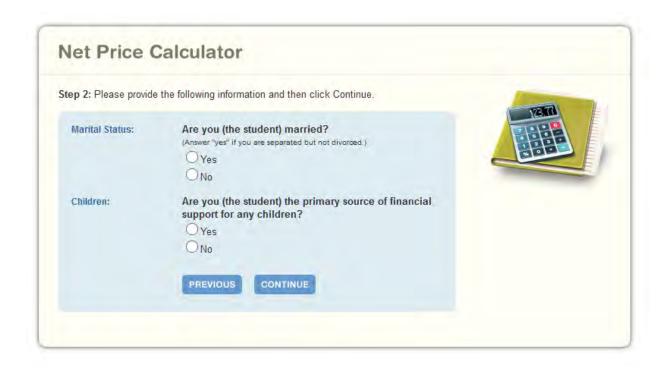

Students must complete the Free Application for Federal Student Aid (FAFSA) in order to be eligible for, and receive, an actual financial aid award that includes Federal grant, loan, or work-study assistance. For more information on applying for Federal student aid, go to http://www.fafsa.ed.gov/
