

CU-Data: Tuition and Fees per Student

Last updated: May 9, 2018

At UCCS, tuition & fees vary according to the students' level, major, and credit hour load. The typical tuition rate posted in guidebooks might apply only to full-time freshmen and sophomores. This table is intended to provide more information about the average costs and aid amounts per student depending on their class level and program in Fall 2017. The data are drawn from financial transactions.
